# **RATING IN HONG KONG**

1.5 CPD units TS20160505

Rates are one of Hong Kong's indirect taxes levied on properties. The revenue collected forms part of Government's general revenue. Rates are charged at a percentage of the rateable value which is the estimated annual rental value of a property at a designated valuation reference date, assuming that the property was then vacant and to let. Any aggrieved person can serve on the Commissioner of Rating and Valuation a "proposal" to alter an entry in a new valuation list or an "objection" against a correction, deletion or addition to an existing valuation list.

Any person who wants to object against the rateable value assessed by the Rating and
