ACCA's Approved Learning Partner programme is a quality assurance programme which aims to recognise high-quality tuition providers who can prove that they meet ACCA's demanding performance targets.

The programme is open to established tuition providers who are able to meet a range of challenging performance targets, representing global best practice in the provision of ACCA course tuition and support.

Gold and Platinum approvals are granted only to high-quality tuition providers whom ACCA is confident to recommend to students. ACCA's Approved Learning Partners are formally assessed by ACCA on an annual basis.
