	Reimbursement for unused vacation 170,000 RR	1
	Items excluded from the SIC base:	
	Sports club annual membership (excluded since a gift).	1/2
	(Note to markers: Due to the vagueness of the new social security law, full marks should be given to candidates who list the gift as taxable and argue that it is an in-kind form of material aid)	
	Voluntary medical insurance for herself (excluded by law).	1/2
	Svetlana's annual salary (2,888,471) exceeds 520,000 RR, therefore, SIC = $512,000*30\% = 153,600$	1/2

Ontion 2. From financing from Chaika		Marks
Option 3: Free financing from Chaika	400 000 DD	1/
As of 31 December 2012, the total amount of the financing is $700,000*42 = 29,600$		1/2
This free financing will not be subject to corporate profits tax since Chaika owns mo ZAO Voron.	re than 50% of shares in	1/2
Therefore, the most tax effective option is to raise the debt financing by means of a	loan from Pigeon.	1/2
