

EXAMINABLE DOCUMENTS DECEMBER 2023 TO JUNE 2024

AUDIT

Knowledge of new examinable regulations issued by 31 August will be examinable in assessments being held from the following September. Documents may be examinable even if the effective date is in the future. This means that all regulations issued by 31 August 2022 will be examinable in the December 2023 to June 2024 examinations.

The study guide offers more detailed guidance on the depth and level at which the examinable documents should be examined. The study guide should therefore be read in conjunction with the examinable documents list.

Accounting Standards - Foundations in Audit (FAU)

The accounting knowledge that is assumed for FAU is the same as that examined in FA1 and FA2. Therefore, candidates studying for FAU should refer to the IFRS® Standards listed under FA1 and FA2. Candidates may also benefit from the increased knowledge and practice that comes from having also studied FFA.
