

ACCA APPLICATION PROCESS REDESIGN INFORMATION PACK

Launch of our new and improved application process

We are pleased to announce that we will be launching our new and improved online application process and wanted to share the news with you in advance.

We've streamlined the existing process to give our students a better experience from the start of their journey with us.

What has changed?

- Application completion time has reduced to 10 minutes
- Application stages has reduced from 10 to 4
- Compatible on tablet, mobile telephone and desktop computer
- Streamlined document upload process
- Information on products added for clarity
- Progress bar to indicate completion status

What does it mean for you and your staff or students?

- Please note that the 'Save and return' functionality is *not* available for this release therefore any new applications must be completed in one session. This functionality will be delivered as part of a future release
- Any existing applications can still be completed using the existing process until notified otherwise

We are making further enhancements over the next few weeks and will keep you updated on our progress .Here are a few screen shots to show you what is to come.

Before you get started..

You'll need the following to complete your application:

- Proof of identification such as driver's license, passport or birth certificate
- Official translations of any documents not in English
- If applying to study our ACCA qualification you will need to upload evidence of your entry requirements
- One of the following payment methods:

What you need to know:

- The application process will take around 10 minutes to complete
- You will have the opportunity to apply for exemptions during the process
- We work in partnership with national accountancy bodies in certain countries, so you may also need to register with another local organisation and pay additional charges. Check the list of [Joint Examination Schemes](#) to see if this applies to you

i Please note that for students and members based outside of the UK and EU, your information will be transferred and held outside of the region of your residence and may be accessed by our local office in your country of residence.
