

## Study Support Events – Autumn 2009

ACCA UK's Student Support has compiled a listing of forthcoming study support lectures and courses offered by leading Approved Learning Partner (ALP) Tuition Providers across the UK. The events, many of which are free to attend, are a mixture of sessions that are paper or topic specific and more generic support sessions dedicated to study and exam techniques and therefore relevant to anyone taking CAT or ACCA exams in December 2009.

You should contact the Tuition Providers below for further information on their study support events, availability of places and (if applicable) cost to attend.
