Student removed from register

On 24 May 2005, the Disciplinary Committee considered a complaint against a student, Yu Dan of Upper East Coast Road, Eastern Lagoon II, Singapore. The complaint that she was liable to disciplinary action under bye-law 8(a)(i) in that, contrary to Examination Regulation 3, she took to her desk and used or possessed while at that desk, materials not authorised by the Registrar was found proved.

The Committee ordered that Ms Yu should be removed from the student register, pay costs of £730, and that the decision should be published by issuing a press release to the professional, national and local press referring to her by name.
