Student removed from register

On 11 May 2006, the Disciplinary Committee of the Association of Chartered Certified Accountants (ACCA) considered a complaint against a student, Pritesh Shashikani Gohil, of Nairobi, Kenya. The complaint that he was liable to disciplinary action under bye-law 8(a)(i) in that he brought unauthorised materials to his examination desk contrary to Examination Regulations and used the said materials to answer an examination question was found proved.

The Committee ordered that Mr Gohil should be removed from the student register and that the decision should be published by issuing a press release to the professional, national and local press referring to him by name.
