## **Student removed from register**

On 23 November 2006, the Disciplinary Committee of the Association of Chartered Certified Accountants (ACCA) considered a complaint against a student, Ms Nguyen Thi Phuong Trang of Phuong Cau Kho, Ho Chi Minh, Vietnam. The complaint that she was liable to disciplinary action under bye-law 8(a)(i) in that, contrary to the Examination Regulations, she obtained assistance by improper means from another student during her exam, contrary to the Fundamental Principal of Integrity, was found proved.

The Committee ordered that Ms Trang should be removed from the student register, pay costs of £680, and that the decision should be published by issuing a press release to the professional, national and local press referring to her by name.
