Student removed from register

On 6 November 2007, the Disciplinary Committee of the Association of Chartered Certified Accountants (ACCA) considered a complaint against a student, Ms Nida Fatima of Gulistan-E-Jauhar, Karachi, Pakistan. The complaint that she was liable to disciplinary action under bye-law 8(a)(i) in that, contrary to Examination Regulations, she to her desk and possessed while at that desk, materials not authorised by the Registrar and intended to use the unauthorised material to gain unfair advantage in the examination, was found proved.

The Committee ordered that Ms Fatima should be excluded from removed from the student register, pay costs of £610, and that the decision should be published by issuing a press release to the professional, national and local press referring to her by name.
