

Exemption application form (Maltese qualifications)

THE ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS and THE MALTA INSTITUTE OF ACCOUNTANTS

Please read the following notes before completing this form.

- In order that your application can be dealt with as quickly as possible, please submit photocopies (not originals) of the following documentation with this form:
 - Proof of completion of qualification
 - An official transcript of all subjects studied (official English translations where appropriate).
- If an exemption is granted a fee will be incurred which is equal to the examination fee for that particular paper. Current fees per paper:
Knowledge module – £45.00, Skills module – £53.00
- Fees for exemptions should not be sent with this form. An invoice will be sent once the exemptions have been awarded.
- In order that your new exemption status is reflected on the appropriate Examination Entry Form, this completed form should be received by the following dates:
 - next applicable session June – 31 January**
 - next applicable session December – 31 July**
- Exemption is only considered on the basis of qualifications which contain relevant content to papers at the Fundamentals level of the ACCA Qualification. No exemption is awarded from papers at the Professional level. If you are awarded exemption from papers F7, F8 and F9 or your exemptions are based on qualifications gained by you more than 10 years ago, you will not be eligible to join the Oxford Brookes degree programme.
- ACCA does not award exemption based on exemption/credit received in a qualification. If you were awarded any exemption/credit from the qualification stated below, you must also enclose details of the previous studies on which these exemptions were based – see note 1 for requirements.
- Students registering under the MIA joint examination scheme, who select the Malta tax and law variant, cannot claim exemption in papers F4 and/or F6 regardless of the qualification they possess. All such students must sit and pass these two papers by examination.
- Exemptions will not be granted on the basis of qualifications which have been previously submitted and assessed in accordance with the regulations of ACCA's pre-2007 scheme of examinations.
- Students who enter for a paper and are subsequently awarded an exemption from that paper, prior to sitting the exams, are required to pay both fees.
