

Transcript for 'Working together to deliver better public services' video

ACCA members deliver financial management that allows the front line to thrive.

1.

Olga Kuznetsova, Vice President, Financial Services, South Coast British Columbia Transportation Authority

Trained by ACCA to go the extra mile.

'My in-depth training enables me to provide guidance and insights to my teams.'

2.

Meng Lan, Country Finance Director, Save the Children, China office

Trained by ACCA to look after the future

'ACCA training not only focuses on professional skills, but also code of ethics, and how to act on integrity and transparency.'

3.

Richard Shi, Chief Accountant, Shanghai No.10 People's Hospital

Trained by ACCA to keep finances healthy.

'ACCA-trained employees are independent thinkers and problem solvers, and more importantly, contributors of unique ideas and mature solutions.'

4.

Christine Nthiga, Forensic Investigator-Accountant, Ethics & Anti-Corruption Commission

Trained by ACCA to honour every ethical code.

'Their emphasis on professional values, governance and ethics, makes ACCA an ideal training for the public sector.'
