# Approved Learning Partner Application for Gold approval

Please complete this application form and attach your supporting evidence to apply for approval as part of our Approved Learning Partner programme. Please submit your application to us by email at [PQApprovals@accaglobal.com](mailto:PQApprovals@accaglobal.com). Full details on Gold Approved Learning Partner approval as part of the ALP programme can be found with the accompanying Pre-approval guide or by accessing the ACCA website [here](#).

This application pack is for those learning providers that offer courses that are primarily accessible online. Learning can take place at any geographical location and students can learn at their own pace with 24/7 access. Students are offered the full online learning experience. For example, students should expect to have access to live or pre-recorded lectures, while supported remotely by tutors or subject area experts. Online courses are structured and offer recommendations for the most effective ways to achieve optimum results, including coursework and mock examination requirements. Students should have the flexibility to organise their study and attempt any coursework in their own time. If teaching is solely undertaken face to face with supplementary support online, this would be considered face to face tuition. Please note that if you teach ACCA students in a face to face environment but you supplement this by adding materials to an online location, ACCA considers this to be face to face delivery.

**Note:**  
All supporting materials in relation to an application for Gold Approved Learning Partner are required to be translated into English.

We agree to adhere to the terms of the programme, including its Approved Learning Partner Handbook. Terms include (but are not limited to) participation in results service, annual renewal, monitoring exercises and advertising regulations. ACCA's advertising regulations include how to use the ACCA logo in the production of all promotional and advertising materials for your institution.

We accept that ACCA reserves the right to decline our request for listing on ACCA's Tuition Provider Directory as a Gold Approved Learning Partner if there is any cause for concern in relation to our operations (causes for concern include but are not limited to student complaints, unethical or fraudulent behaviour and reputational issues).

We understand that the above will also be grounds for the immediate removal of our institution's details from the Tuition Provider Directory and that in such cases, ACCA's decision is final and there is no appeals process. No refund of fees paid will be available in such circumstances.

We understand that it is our responsibility to ensure that our details on ACCA's Tuition Provider Directory are correct and that ACCA is kept informed of any changes to the contact details supplied previously and in this application.

We agree to inform ACCA immediately if any of our staff become aware of an actual or suspected breach of ACCA live assessment protocol involving the unauthorised sharing of live exam content. We acknowledge that this duty to inform ACCA also extends to instances where we become aware of third parties disclosing information regarding the live exam content in an unauthorised manner. Furthermore, we will provide ACCA with full details of the breach; the students or persons involved; and will take any necessary steps to ensure that our members of staff do not share or support sharing of the live exam content further.

We accept that should we conduct any other services on behalf of ACCA, such as on-demand computer based examinations, our Approved Learning Partner status may be affected in the event of breaching any of our other obligations to ACCA.

Please tick this box if you have fully read and understood the above declaration.  
By doing so you agree to the terms and conditions stated.
