- the Board has noted the need to consider succession planning for those members of the Board whose contracts are due to end

- the Chair has accepted an invitation to attend a Standards Board meeting and will agree the content of the presentation with the sub-Board
- and
- due to the volume of papers, ACCA needs to be clearer about what information is key and requires discussion by the Board.

There were no further updates from the Chair on developments since the last meeting.

4. PRESENTATION FROM THE EXECUTIVE DIRECTOR – GOVERNANCE

The Board noted a presentation from the Executive Director – Governance, which focused on the following areas:

- Strategic performance for 2020-21
- Update on Governance Directorate – New appointments
- The impact of Covid-19 on regulatory functions
- Exit from EU

- and
- ACCA should notify the Board of any further matters relating to the UK's exit from the EU outside of the Board meetings.

5. PERFORMANCE DATA AND STRATEGIC CONTEXT

The Board noted the performance data and strategic context papers. The Board noted that as at 31 August 2020 ACCA is broadly on track with its performance, but noted the impact that Covid-19 is having on ACCA's performance and KPIs in respect of its regulatory activities from the end of March 2020.

6. REGULATORY GUIDANCE TO SUPPORT THE BOARD'S POLICY STATEMENT ON ANTI-MONEY LAUNDERING (AML)

The Board approved amendments to the AML policy statement and proposed regulatory guidance.

The Board agreed that:

- it would like to receive further details about the information that ACCA shares with other AML supervisors.

7. ANNUAL REPORT FROM THE STANDARDS BOARD

i. Report from the Chair of the Standards Board

The Board received a report from the Chair of the Standards Boards in relation to how the Standards Board is meeting its terms of reference. In particular, the Board noted that the Standards Board:

- has carried out the necessary due diligence when considering and approving proposed changes to the ACCA Rulebook
 - has identified emerging risks for communication to the Regulatory Board in relation to proposed changes to the membership regulations (ICMAP membership pathway and Members in Retirement) and succession planning
 - continues to review how best to discharge its responsibility for promulgating the Rulebook and has requested that ACCA should provide suggested appropriate metrics for consideration
- and
- has reviewed its Work Plan and requested that the Chair of the Regulatory Board attend a meeting of the Standards Board to deliver a presentation on the work carried out by the Regulatory Board.

ii. Regulation changes for the ACCA Rulebook

The Board approved the proposed regulation changes to the ACCA Rulebook, as recommended by the Standards Board.

8. REPORTS FROM THE APPOINTMENTS AND QUALIFICATIONS BOARDS

The Board noted the reports from the Chairs of the Appointments and Qualifications Boards.

The Board considered a proposal from the Appointments Board to address anomalies in the Incompatibility (conflict of interest) provisions within the Regulatory Board and Committee Regulations that were identified during the 2019 recruitment process. The anomalies relate to eligibility for appointment to the Panel, eligibility for appointment as a legal adviser, and the length of a cooling-off period. The Board approved the proposal from the Appointments Board to address these anomalies in the regulations in consultation with ACCA.

The Board also noted that the Qualifications Board held an additional meeting in June 2020 to receive an update on ACCA's response to Covid-19 in relation to the examinations, in particular the introduction of remote invigilation and the maintenance of examination integrity and validity.

9. PROMOTING THE ROLE OF LAY MEMBERS OF THE BOARD IN PROTECTING THE PUBLIC INTEREST

The Board noted an action plan for promoting the role of lay members of the Board in protecting the public interest.

The Board agreed that:

- ACCA should consider promoting the role of lay members in its annual Integrated Report
 - further consideration should be given to the external promotion of the role of lay members, with reference to other sources of best practice in this area
- and
- an official channel for external communications to the Board should be created and included on ACCA's website.

 - matters raised at the meeting should be included in the work plan, for example key and emerging risks, cyber security, and data security relating to undertaking regulatory activities remotely
- and
- the work plan should be split into items 'for discussion and decision' and items 'for information'.

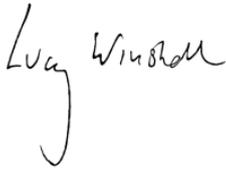

The Board also noted that substantive items can be considered at Board meetings but learning sessions could be done separately.
