Reference to “the appeal” in this regulation includes consideration of the application notice by the Chair in accordance with [regulation 6](#).

(1) Costs to be paid by the appellant to the Association

Where the appellant is a person who is the subject of a finding or order made by the Disciplinary Committee, an order made by the Admissions and Licensing Committee, or a finding or order made by the Health Committee, the Appeal Committee may direct the appellant to pay to the Association by way of costs of the appeal such sum as the Appeal Committee shall consider appropriate. In considering what sum shall be paid by way of costs, if any, the Appeal Committee shall take into account (and without limiting its discretion in any way) any effect the appellant’s actions in relation to the conduct of the appeal have had upon the costs of dealing with the appeal, whether beneficial or otherwise.

(2) Costs to be paid by the Association to the appellant

Where the appellant is a person who is the subject of a finding or order made by the Disciplinary Committee, the Admissions and Licensing Committee or the Health Committee as the case may be, and the Appeal Committee has wholly rescinded a finding or order of such Committees, the Appeal Committee may direct the Association to pay a sum to the appellant by way of contribution to the appellant’s costs incurred in connection with the case and the appeal in such amount as the Appeal Committee shall in its discretion decide.

(3) Costs to be paid by the Association to the complainant

Where the appeal is against a finding or order of the Disciplinary Committee or of the Health Committee, the Appeal Committee may in exceptional circumstances direct the Association to pay a sum to a [complainant](#) by way of contribution to the complainant’s costs incurred with the case in such amount as the Appeal Committee shall in its discretion think fit.

(4) Costs to be paid by the Association to the respondent

Where the Association is the appellant and has not been successful on all the grounds of its appeal, the Appeal Committee may direct that the Association pay to the respondent by way of costs of the appeal such sum as the Appeal Committee shall consider appropriate.

13. Effect on costs of withdrawal of appeal

(1) Costs of the complainant

Where the appeal is against a finding or order of the Disciplinary Committee or of the Health Committee and is withdrawn by the appellant, the Appeal Committee may in exceptional circumstances direct the Association to pay a sum to the complainant by way of contribution to the complainant's costs incurred in the case in such amount as the Appeal Committee shall in its discretion think fit.

(2) Costs of the respondent to be covered by the appellant

- (a) If at any time prior to the conclusion of the hearing of the appeal the appellant makes a request to withdraw the appeal, and the respondent makes an application for costs, the Appeal Committee shall make such order as it sees fit in respect of costs. In particular, the Appeal Committee may order the appellant to pay to the respondent by way of costs of the appeal such sum as the Appeal Committee shall consider appropriate. In considering what sum shall be paid by way of costs, if any, the Appeal Committee shall take into account (but without limiting its discretion in any way) any effect that the appellant's actions in relation to the conduct of the appeal and its withdrawal have had upon the costs of dealing with the appeal, whether beneficial or otherwise.
- (b) Applications for costs under this regulation 13(2) may be considered without a hearing, if the parties agree, or by such mode of hearing (including a telephone hearing) as the Appeal Committee may direct.

14. Notice

(1) The Appeal Committee shall announce its decision at the hearing.

(2) Written notice of the orders made shall be given to the relevant person within 14 days after the hearing. Such notice will be accompanied by a written statement of the reasons for the decision of the Appeal Committee, unless, in the circumstances, a longer period for the delivery of such reasons is necessary.

15. Correction of errors

(1) Slip rule

- (a) Where the orders and/or written statement of the reasons for the decision of the Appeal Committee contains an accidental error or omission, a party may apply by way of an application notice for it to be corrected. The application notice shall describe the error or omission and state the correction required.

- (b) The Chair may deal with the application without notice if the error or omission is obvious, or may direct that notice of the application be served on the other party.
- (c) If notice of the application is served on the other party, the application may be considered by the Chair without a hearing with the consent of the parties, such consent not to be unreasonably withheld.
- (d) If the application is opposed, it should if practicable be heard by the same Appeal Committee which made the orders and/or written statement of reasons for the decision which are the subject of the application. The Appeal Committee may not conduct a re-hearing of the case.
- (e) The Appeal Committee may of its own motion amend the wording of its own orders and/or written statement of reasons for the decision for the purpose of making the meaning and intention clear.

(2) New evidence

A party may apply by way of an application notice for new evidence to be considered. The Appeal Committee may at any stage and in its absolute discretion amend, vary or rescind any of its orders or decisions where new evidence comes to light which fundamentally invalidates the same, but may only do so to the advantage of a relevant person. In the absence of any objections from the parties, such applications may be considered by the Appeal Committee in the absence of the parties without a hearing.

16. Effective date

(1) Permission to appeal

Where a Chair has refused permission to appeal an order of the Admissions and Licensing Committee, Disciplinary Committee or Health Committee, that order shall take effect as follows:

- (a) where the order was made with immediate effect, on the date the relevant Committee made the order;
- (b) where the Chair's decision is final pursuant to [regulation 6\(3\)\(g\)\(i\)](#) or 6(4)(h), on the date of the Chair's decision;
- (c) in all other cases, 21 days after service of the Chair's written reasons for refusing permission, unless pursuant to regulation 6(3)(g)(ii) the appellant has by that date filed a request that their application notice be reconsidered by a second Chair.

(2) Withdrawn applications

Where at any time during the appeal process the appellant withdraws their appeal against an order of the Admissions and Licensing Committee, Disciplinary Committee or Health Committee, that order shall take effect as follows:

- (a) where the order was made with immediate effect, on the date the relevant Committee made the order;
- (b) in all other cases, on the date the appeal was withdrawn.

(3) Appeal Committee determinations

Any order made by the Appeal Committee shall take effect from the date it is made (that is, for the avoidance of doubt, the date its decision is announced and not the date it is formally notified to the appellant) unless the Appeal Committee, in its absolute discretion, directs that it shall take effect as from some other date (not being earlier than the date of the finding or order under appeal) as shall be specified in the order of the Appeal Committee.

17. Public and private hearings

(1) Hearings of the Appeal Committee shall be conducted in public unless the Appeal Committee is satisfied:

- (a) having given the parties, and any third party from whom the Appeal Committee considers it appropriate to hear, an opportunity to make representations; and
- (b) having obtained the advice of the legal adviser,

that the particular circumstances of the case outweigh the public interest in holding the hearing in public, which may include but is not limited to prejudice to any of the parties.

(2) Appeals from orders or findings of the Health Committee shall be heard in private, but the Appeal Committee's order shall be subject to publicity in accordance with regulation 18(4).

(3) The Appeal Committee may establish such procedures as it deems necessary or desirable in connection with attendance by the public at its hearings and the procedure to be adopted in respect of any hearing shall, subject to the foregoing paragraphs of this regulation, be such as the Appeal Committee in its absolute discretion so determines.

(4) Exclusion of persons from a hearing

The Appeal Committee may exclude from any hearing, or limit the participation of, any person whose conduct, in the opinion of the Committee, is likely to disrupt the orderly conduct of the proceedings. For the avoidance of doubt, this includes the relevant person and/or the relevant person's representative.

18. Publicity

(1) The Association shall give advance publicity of the proceedings of the Appeal Committee, in such manner as the Association thinks fit.

(2) In the case of an appeal against findings or orders made by the Disciplinary Committee:

- (a) subject to regulation 18(2)(b) below, all orders and any findings (as applicable) made by the Appeal Committee shall be published, together with the reasons for the Appeal Committee's decision in whole or in summary form, naming the relevant person, as soon as practicable;
- (b) following a hearing which has (in whole or in part) been held in private, the Appeal Committee shall prepare a private set of reasons in accordance with [regulation 14\(2\)](#)

to be served upon the parties only, together with a public set of reasons which comply with regulation 18(2)(a), as soon as practicable.

- (3) In the case of an appeal against an order of the Admissions and Licensing Committee:
- (a) subject to regulation 18(3)(b) below, all orders and any findings (as applicable) made by the Appeal Committee shall be published, together with the reasons for the Appeal Committee's decision in whole or in summary form, naming the relevant person, as soon as practicable;
 - (b) following a hearing which has (in whole or in part) been held in private, the Appeal Committee shall prepare a private set of reasons in accordance with [regulation 14\(2\)](#) to be served upon the parties only, together with a public set of reasons which comply with regulation 18(3)(a), as soon as practicable;
 - (c) in the event that the relevant person relinquishes their certificate before a hearing under this regulation takes place, details of that fact and of any consequential orders made by the Appeal Committee shall be published, together with the reasons for the Appeal Committee's decision in whole or in summary form, naming the relevant person, as soon as practicable.
- (4) In the case of an appeal against findings or orders of the Health Committee:
- (a) all orders and any findings made by the Appeal Committee shall be published, together with the reasons for the Appeal Committee's decision in whole or in summary form, naming the relevant person, as soon as practicable in such manner as the Association thinks fit;
 - (b) any matters against the relevant person which had been referred to the Admissions and Licensing Committee, Disciplinary Committee or Appeal Committee prior to the health hearing shall be set out in the publicity.

19. Service of notices and documents

(1) Any notice or document required to be served upon the relevant person shall be delivered by sending it by a postal service or other delivery service (including, but not limited to, electronic mail) in which delivery or receipt is recorded to, or by leaving it at:

- (a) the relevant person's registered address; or
- (b) any other address nominated in writing by the relevant person for service of any notice and correspondence document.

(2) Where the relevant person is represented by a solicitor or a professional body, a copy of the notice served in accordance with regulation 19(1) above may also be:

- (a) sent or delivered to the solicitor's practising address;
- (b) sent or delivered to the professional body's business address; or
- (c) sent by electronic mail to an electronic mail address of the solicitor or professional body, where the address has been notified to the Association as an address for communications.

(3) Any notice or document required to be served on the complainant may be provided to them personally, sent by post or courier to the address nominated in writing by the complainant for service of any notice or document for the purpose of these regulations, or sent by electronic mail.

(4) Any notice or document required to be served on the Association may be provided by sending it by post or courier to the investigating officer at the principal office of the Association or sending it by electronic mail.

(5) Any notice or document to be served on a relevant person or complainant under these regulations may be sent by:

- (a) post;
- (b) courier; or
- (c) electronic mail to an electronic mail address that the person has notified to the Association as an address for communications.

(6) Where a notice or document is served by electronic means, the party serving the document (be it the Association, the relevant person or the complainant) need not in addition send or deliver a hard copy.

(7) The service of any notice or document under these regulations may be proved by:

- (a) a confirmation of posting issued by or on behalf of the postal operator or delivery service;
- (b) a confirmation of delivery of the notice or document sent by electronic mail; or
- (c) a signed statement from the person sending by post or delivering the notice in accordance with this regulation.

(8) Where any notice or document is sent or otherwise served under these regulations, it shall be deemed as having been served:

- (a) 72 hours after it was sent by the postal operator or delivery service; or
- (b) where the notice has been left at an address or sent by electronic mail, on the day on which it was left or sent.

20. Payment

Any order that a sum be paid to the Association or the complainant must be complied with within 21 days from the date the order becomes effective (unless the Council otherwise agrees) and, where the appellant who is the subject of the order is a firm, shall be jointly and severally due from, and shall be paid by, the persons who are specified persons in relation to the firm on the date of the order.

21. Attendance

A party may attend a hearing of the Appeal Committee where they are a party concerned notwithstanding that they may previously have indicated that they did not intend to attend.

22. Hearings

Where a case is of particular interest to a particular government or government agency, or primarily affects persons resident in a particular country, either the Appeal Committee or the [Secretary](#) may direct that the hearing before the Appeal Committee take place in that country. In the absence of any such direction, hearings before the Appeal Committee shall take place in London.

23. Public interest cases

(1) The Association shall refer a case to [FRC](#) where:

- (a) it considers that the case raises or appears to raise serious issues affecting the public interest in the United Kingdom; and
- (b) it considers that a relevant person may have committed an act of misconduct in relation to the case; and
- (c) it is satisfied that no disciplinary proceedings going beyond an investigation have been instituted by the Association or any other FRC participant in relation to the conduct in question. This regulation 23(1)(c) is unlikely to be satisfied in the case of an appeal unless evidence of the conduct in question was not available prior to the hearing of the Disciplinary Committee.

(2) Where the Association receives notice that FRC has decided to deal with a case relating to a relevant person, either in response to a referral under regulation 23(1)(a) or of its own motion, the Association shall suspend any investigation relating to the case and, upon FRC's request, provide to FRC any such documentary information in its possession or control which it can lawfully provide.

(3) [IAASA](#) may undertake its own investigation into a case relating to a relevant person if IAASA forms the opinion that it is appropriate or in the public interest to do so. In such circumstances, the Association shall suspend any investigation relating to the case and, upon IAASA's request, provide to IAASA any such documentary information in its possession or control which it can lawfully provide.

(4) It is the duty of all relevant persons to co-operate with FRC and IAASA during the course of any investigations they may undertake, and abide by and satisfy any disciplinary sanction imposed by FRC. A failure to co-operate fully with FRC or IAASA shall constitute a breach of these regulations and may render the relevant person liable to disciplinary action.

(5) Regulation 11(4) of the [Membership Regulations](#) shall apply to disciplinary orders made by FRC or IAASA save that the reference therein to any amount 'payable to the Association' shall for these purposes read 'payable to FRC' or 'payable to IAASA', as appropriate. For the avoidance of doubt, the failure to satisfy in full any amount imposed by way of fine or costs payable to FRC or IAASA shall result in removal from the register of [members](#), [affiliates](#) or registered students of the Association.

(6) For the avoidance of doubt, the provisions of this regulation 23 apply notwithstanding that the Association did not exercise its powers under regulation 25 of the [Complaints and Disciplinary Regulations](#).

24. Transitional provisions

(1) The grounds of appeal available to the appellant shall be those in force at the date of the finding or order which is the subject of the application notice.

(2) The test to be applied when considering whether permission to appeal should be granted shall be the test in force at the date of the application notice.

25. Waiver

The Appeal Committee may dispense with any requirement of these regulations in respect of notices, service or time in any case where it appears to the Committee to be in the interests of justice, having regard to all the circumstances, provided it is satisfied that neither the relevant person nor the Association has been prejudiced in the conduct of their or its case.
