The Admissions and Licensing Committee may impose such alternative requirements as it thinks fit, which may include without limitation a requirement to pass any tests of competence and/or examinations

8. Fit and proper persons

(1) The [Admissions and Licensing Committee](#) shall only issue a practising certificate to an applicant that is fit and proper, as determined by it in accordance with this regulation 8.

(2) In determining whether a person is "fit and proper", the Admissions and Licensing Committee may, without limitation, take into account whether that person has:

- (d) in the case of a limited liability partnership, any matter relating to any of the members or designated members of the limited liability partnership.

9. Professional indemnity insurance

(1) Holders of a practising certificate

- (a) Subject to [regulation 9\(6\)](#), applicants for and holders of a practising certificate must hold professional indemnity insurance (“PII”) covering the liabilities and according with the limits set out in this regulation 9 and, in the case of such a person whose firm employs full and/or part time staff, the firm must also hold a policy of fidelity guarantee insurance (“FGI”) in respect of all partners, directors, members and designated members of limited liability partnerships and employees in accordance with this regulation. For the avoidance of doubt such FGI may, but need not, form a single policy with such PII and all such PII and FGI must remain in force for all of the period during which a relevant practising certificate is held.
- (b) Such PII and FGI may be effected with any reputable insurance company or insurance companies or other underwriter provided that Council reserves the right to require applicants for or holders of a practising certificate not to use certain insurance companies or underwriters, if it so directs.

(2) Liabilities to be covered

PII shall provide cover in respect of all civil liability incurred in connection with the conduct of the firm’s business by the partners, directors, members and designated members of limited liability partnerships or employees and FGI shall include cover against any acts of fraud or dishonesty by any partner, director or employee in respect of money or goods held in trust by the firm.

(3) Limits

- (a) Subject to regulation 9(3)(g), the limit of indemnity on PII in respect of each and every claim shall be:
 - (i) in the case of a person whose firm’s total income for the accounting year immediately preceding the year in question (the “relevant total income” and “relevant accounting year”) is less than or equal to £200,000, at least the greatest of:
 - (aa) two and one half times that firm’s relevant total income; and

- (bb) twenty-five times the largest fee raised by the firm during the relevant accounting year; and
- (cc) £50,000;
- (ii) in the case of a person whose firm's relevant total income exceeds £200,000 but is less than or equal to £700,000, at least the greater of:
 - (aa) the aggregate of £300,000 and the firm's relevant total income; and
 - (bb) twenty-five times the largest fee raised by the firm during the relevant accounting year;
- (iii) in the case of a person whose firm's relevant total income exceeds £700,000, at least the greater of:
 - (aa) £1 million; and
 - (bb) twenty-five times the largest fee raised by the firm during the relevant accounting year.
- (b) The limit of indemnity on PII in respect of year 2000 date recognition claims, where available, may be on an aggregate basis as opposed to an each and every claim basis. The minimum limit on this cover must be calculated in accordance with regulation 9(3)(a).
- (c) A firm's "total income" is the aggregate of the firm's professional charges and all other income (including commissions) received by a firm in respect of and in the course of the firm's business, but excluding any commission which the firm passes on to the client.
- (d) The "largest fee" raised by a firm relates, in all cases, to the highest cumulative amount of fees raised to a particular client during the year rather than the largest single invoice raised.
- (e) Subject to regulation 9(3)(g), any uninsured excess (that is to say, the amount of any claim which is borne by the firm before there is any payment by the insurer) in accordance with a firm's PII and FGI shall be restricted to 2 per cent of the limit of indemnity in respect of each and every claim provided pursuant to the PII or, as the case may be, FGI or £20,000 per principal in respect of each and every claim, whichever amount is the lesser.
- (f) Subject to regulation 9(3)(g), the annual limit of indemnity to be provided by a firm's FGI shall be not less than £50,000 in respect of each and every claim.
- (g) Persons carrying on public practice in a country other than a designated territory may, instead of complying with regulations 9(3)(a), 9(3)(e) and 9(3)(f), comply with the minimum requirements of a recognised national body or regulatory authority in that country in respect of the limit of indemnity on PII and FGI and in respect of uninsured excess.

(4) Administrative provisions

- (a) (i) Each person subject to [regulation 9\(1\)](#) must on request provide the Association with a policy and/or certificate from his insurer or broker as evidence that PII and, if required, FGI is in force in accordance with this regulation as at the practising certificate renewal date of each year, and will remain in force for the year covered by the practising certificate, being PII and, as the case may be, FGI which meets the requirements of this regulation.

(ii) In the event that PII is subject to an aggregate limit and claims are notified during the year in question but not met in that year, the aggregate limit for the following year and, if such claims are not by then met, subsequent years should be increased to take account of the amount (or a best estimate of that amount) either paid or reserved for such claims.
- (b) The policy terms and wording shall be available for inspection by the Admissions and Licensing Committee.
- (c) Each person subject to regulation 9(1) shall be deemed to have authorised the Admissions and Licensing Committee to seek, direct from the relevant insurer and/or broker, confirmation of matters of record.
- (d) Each person subject to regulation 9(1) must keep a record of insurance claims made by him pursuant to his PII and, as the case may be, FGI.
- (e) Such record, together with each annual renewal proposal form, must be available for inspection by the Admissions and Licensing Committee.

(5) Continuity following cessation

Persons subject to regulation 9(1) shall ensure that arrangements exist for the continued existence of PII and, as the case may be, FGI for a period of six years after they cease to engage in public practice. Such PII and, as the case may be, FGI shall be on terms satisfying the requirements of this regulation as applied to their business during the year immediately preceding such cessation.

(6) Exception

An individual who is not a sole proprietor, partner or director of the firm in which he works, or member or designated member of a limited liability partnership, but holds a practising certificate and is responsible for public practice work carried on by the firm, shall be deemed to hold PII in accordance with regulation 9(1) where the firm (or all of them if more than one) in which he works:

- (a) is a person subject to regulation 9(1) and holds PII in compliance with regulation 9(1); or
- (b) holds PII which the Admissions and Licensing Committee regards as adequate.

- (b) Such provision may be made in the partnership agreement (where the firm is a partnership) or in the Memorandum and Articles of Association (where a firm is a company) or in the incorporation document (where the firm is a limited liability partnership) or other such agreement as the members of the limited liability partnership may agree or by entering into and keeping in force for all of the period during which a practising certificate is held a written agreement with another firm.

 - (i) be based in the same country as the firm; and
