

Renewal of your practising certificate for 2022

Your 2022 practising certificate renewal must be completed in all circumstances and should be submitted **by no later than 30 November 2021 to allow sufficient time for it to be processed before the year-end. Any renewal applications received after 30 November 2021 run the risk of not being processed before the year-end.**

It is your responsibility to ensure that your renewal is submitted on time and that you have been issued with the correct certificate(s).

Please ensure that you have read and understood the following documents on our website before submitting your renewal:

- [Conditions for the renewal of a practising certificate - 2022](#)
- [Continuing Professional Development \(CPD\) for practising members](#)
- [FAQs on the OPBAS levy](#)
- [Byelaw 8](#)

The document headed "[Conditions for the renewal of a practising certificate – 2022](#)" is an integral part of the renewal. In submitting the renewal you will be agreeing to comply with the undertakings contained in that document, and to be bound by the Bye-laws and Global Practising Regulations made thereunder (and/or any subsequent regulations replacing or amending, in full or part, these regulations).

The renewal process

A member in public practice as a principal of a firm in a designated territory or in a country or jurisdiction where an ACCA practising certificate is required under local legislative or regulatory requirements must hold a certificate to practise from ACCA, even if an equivalent certificate is held from another body. A member intending to cease to be in practice altogether as a principal must still submit a renewal, with the appropriate cessation of practice declaration completed.

The Global Practising Regulations place continuing obligations on those ceasing to be in practice, including the requirement to arrange run-off professional indemnity insurance for a period of six years following cessation.

The online renewal process has been made as straightforward as is consistent with legislative and regulatory requirements. In addition to providing your confirmation and understanding of the conditions for renewal, you must submit details of:

- any changes to the jurisdictions in which you practice;
- any changes to the address(es) or composition of your firm (or firms);
- the current professional indemnity insurance policy of your firm (or firms);*
- the continuity of practice arrangements of your firm (or firms); and
- the investment business and consumer credit arrangements of your firm (or firms) – applicable to UK exempt regulated activities only.

* A liquidator of a company in Ireland must obtain minimum cover of 1,500,000 euros (exclusive of defence costs) in respect of each and every claim, and obtain cover for defence costs, in compliance with the Companies Act 2014 (Professional Indemnity Insurance) (Liquidators) Regulations 2016 (S.I. 2016/127).

A transfer from a practising certificate to a combined practising certificate and audit qualification is dependent upon meeting the full eligibility requirements as detailed in the Global Practising Regulations. If you make a transfer application via your renewal it may be necessary to seek additional information from you on your training in order to assess your eligibility to transfer. A certificate of the type you currently hold may be issued to you pending completion of the assessment of the transfer application.

Fees

The renewal fee for a practising certificate in 2022 is £514 where practice income exceeds £5,000 per annum. Where practice income is less than £5,000 per annum, a reduced certificate fee of £104 is payable. If your practice income goes over £5,000 during 2022 you must notify ACCA immediately and pay the balance of fees between a full-time and spare-time dispensated certificate.

If you do not provide your credit/debit card details when completing your renewal online we will send you an email once your renewal has been received and fully processed to confirm that payment is now required. When you receive the email the simplest and quickest way to make a card payment is online via [myACCA](#). You will receive immediate acknowledgement that your payment has been received by ACCA. You can also make a card payment by telephone by contacting ACCA Connect on +44 (0)141 582 2000 once you have received the invoice.

Cheque payments

In line with the guidance issued in previous years, the submission of cheque payments create unnecessary delays in assessing and issuing practising certificates to our members. Therefore, to avoid delays in receiving your practising certificate, cheque payments will not be accepted. (Continued)

Please ensure you submit your practising certificate renewal and payment via your [myACCA](#) account.

Electronic certificates

ACCA no longer issues paper renewal forms or hard copy certificates. All practising certificates are now issued electronically and sent by email. In addition, practising certificates can now be downloaded from your [myACCA](#) account. ACCA is committed to making the renewals process as efficient as possible. By moving to an electronic process, we will be able to deliver an improved service to practitioners that is secure and sustainable.

Late payments and renewals

Please note that your 2022 electronic certificate will not be emailed (and your authorisation will not be valid) until the invoice has been settled. Therefore, to ensure you remain eligible to undertake public practice work on 1 January 2022 and to avoid a late submission penalty fee of £65 and possible disciplinary action, you should submit your renewal as soon as possible and certainly by no later than 30 November 2021.

Renewals for firms' 2022 auditing certificates may, where appropriate, be submitted online by nominated contact partners/directors for auditing certificate matters by logging into [myACCA](#) using the firm's ACCA reference number and firm's passcode.

Investment business and consumer credit - exempt regulated activities (UK firms)

If your firm registered through ACCA to undertake exempt regulated activities in 2021, the nominated contact partner/director may submit a 2022 registration renewal online by logging into [myACCA](#) using the firm's ACCA reference number and firm's passcode.

If your firm did not register through ACCA for 2021 but now wishes to do so, the initial registration form can be downloaded from the 'Practitioner forms' section of ACCA's website at www.accaglobal.com/practising. ATOL reporting accountant registration (UK)

If your firm registered through ACCA as an ATOL Reporting Accountant firm in 2021, the nominated contact partner/director will automatically be sent an email registration renewal link for 2022. Separate renewals for individuals who registered as ATOL reporting accountants in 2021 are not required. However, you should note that it will not be possible to complete the processing of a firm's ATOL Reporting Accountant registration renewal until all ACCA partners/directors in the firm have fully renewed their individual practising certificates. Firm's legal activities certificates (probate) renewals

If you are registered through ACCA as an Authorised Legal Activities Individual (ALAI) for probate work you will have been sent an email by ACCA in September 2021 about ACCA's intention to withdraw all regulatory arrangements for probate activities with effect from 1 January 2022 and to cancel its designation as an approved regulator (AR). The email also contained information about transfer arrangements to another AR. Therefore, if you are currently registered with ACCA as a LAI your authorisation for non-contentious probate work will cease on 31 December 2021.

ACCA Rulebook

Anti-money laundering (AML) supervisory regime fees for 2021/22

As you may be aware ACCA is required to pay an annual levy to OPBAS (Office of Professional Body Anti-Money Laundering Supervision). OPBAS is funded entirely by the professional body supervisors (PBS), of which ACCA is one. The OPBAS levy is a substantial new regulatory cost that has arisen because ACCA supervises its practising members for AML in the UK. ACCA believes it is appropriate that the supervised population should bear this additional cost rather than it falling on the membership as a whole.

The OPBAS fee per supervised firm in 2021/22 is £14.50.

Therefore, if you are the contact partner of a firm that is supervised by ACCA for AML purposes an invoice for the 2021/22 OPBAS fee has been raised in your firm's online account.

To pay the fee please log into your firm's [myACCA](#) account using your firm's ACCA reference number and firm's passcode (this will be different from your individual membership passcode).

If you are the contact partner in more than one firm that is supervised by ACCA for AML you will need to log into each firm's account separately to pay the fee.

Alternatively, you can pay the fee by bank transfer. Full details are available on our website at

<https://www.accaglobal.com/gb/en/member/membership/managing/pay-your-subscription.html>

Please ensure that you quote your firm's ACCA reference number on the payment.

In February 2020 invoices were raised for the 2018/19 and 2019/20 OPBAS fees and all supervised firms were contacted at that time with a request for payment. In October 2021 invoices were raised for the 2020/21 OPBAS fee and all supervised firms were contacted at that time with a request for payment. The fee per supervised firm in both 2018/19 and 2019/20 was £13.50. The fee per supervised firm in 2020/21 was £14.00. If these fees are still outstanding on your firm's account(s) please pay these at the same time as your 2021/22 fee.

To ensure that your firm remains eligible to be supervised by ACCA for AML purposes you should submit your payment online before 30 November 2021.
