Member be subject to an accelerated monitoring visit*

On 27 August 2025, the Admissions and Licensing Committee of ACCA (the Association of Chartered Certified Accountants) considered a case concerning Mr Rocky Bharj FCCA.

The Admissions and Licensing Committee made the recommendation that:

- ACCA impose conditions on Mr Bharj's practising certificate in line with the approach set out in PS10 of the Regulatory Board's Policy Statement and sections 7.2.4 to 7.2.5 of Regulatory Guidance for reviews with unsatisfactory outcomes where the audit principal has not previously been subject to a regulatory order or decision.
- Mr Bharj be subject to an early review at his Firms cost which should take place within one year to 18 months of the previous monitoring review to assess the improvement in his work.

In accordance with PS13.1, ACCA further recommends that, in the event that the Committee determines it is necessary to make an order to withdraw, suspend or impose conditions on Mr Bharj's audit certificates in order to protect the public, the Committee should, on the same grounds, make that order with immediate effect

Please note that this may be the subject of an appeal.

ACCA's regulations require ACCA to publish the Committee's findings and orders by way of a news release, as soon as practicable.
