

Dear Member

My name is xxx and I work in the financial services sector in xxx. I qualified as an ACCA member in xxx and am currently a xxx in xxx Bank.

I am an advocate of ACCA's vision to be #1 in developing the accountancy profession the world needs. It would be an honour to serve on the xxx panel and if elected, I undertake to bring my energy, enthusiasm, and passion for ACCA and its members to the further development and exposure of ACCA in the xxx sector. I would like to act on behalf of all members to ensure that the future direction of ACCA meets the needs of students, members, and employers in addition to the wider public within Ireland.

I want to ensure our events programme meets the needs of the members and use every opportunity to improve and enhance the profile of our organisation within the wider local business community.

Thank you for your support.

Best Regards

xxx
