Where there is insufficient space provided for your comments, please attach additional pages.

Chapter I: Proposed Rule amendments to align the requirements for disclosure of financial information in Main Board Rules Appendix 16 and GEM Rules equivalent with reference to the disclosure provisions in the New Companies Ordinance

1. Do you agree that all issuers (whether or not they are incorporated in Hong Kong) should include disclosures under the provisions of the New Ordinance which reflect alignment of those provisions of the Predecessor Ordinance captured in Main Board Rules Appendix 16 and GEM Rules equivalent as set out in paragraphs 70 to 73 of the Consultation Paper?

Yes

No

Please give reasons for your views.

this requirement would ensure level play field for all companies, whether or not they are incorporated in Hong Kong

Chapter II: Proposed Rule amendments to streamline the disclosure requirements of financial information in the Listing Rules with reference to Hong Kong Financial Reporting Standards

2. Do you agree with the proposed revision of Main Board Rules Chapter 4 and Appendix 16 and GEM Rules equivalent in order to streamline the Listing Rules and to avoid potential duplications with the accounting standards?

Yes

No

Please give reasons for your views.

There are companies listed in HK Stock Exchange who prepare financial statements in accordance with accounting standards other than HKFRS or IFRS. The disclosure requirements under these respective countries' accounting standards may be different from HKFRS or IFRS.

If Main Board Rules Chapter 4 and Appendix 16 and GEM Rules equivalent are streamlined to avoid potential duplications with HKFRS and IFRS, HKEx needs to ensure the disclosure requirements applicable to these companies are the same as HKFRS or IFRS to ensure a level play field for all companies, irrespective of whatever accounting standards they follow when preparing the financial statements.

3. Do you agree with the proposed repeal of the disclosure requirements in relation to financial conglomerates in Main Board Rules Chapter 4 and Appendix 16 and GEM Rules equivalent?

Yes

No

Please give reasons for your views.

Financial conglomerates are perhaps more likely to deal in derivative products that can involve significant off-balance exposures. As financial products are fast changing and may not be caught under any accounting standards, it would be desirable to keep existing requirements.

As such, we still hold the previous view of the Exchange "that it is important for financial conglomerates to adopt standards comparable to those of the Guide [the Hong Kong Monetary Authority's Best Practice Guide] in relation to their financial business; in particular information should be given concerning:

-off-balance sheet exposures for contingent liabilities and commitments, and derivatives;

-risk management strategy; and

-segmental information."

4. Do you agree with the proposed repeal of Main Board Rules Appendix 15 and GEM Rules equivalent in relation to bank reporting?

Yes

No

Please give reasons for your views.

Chapter III: Other financial information disclosures related proposed Rule amendments

5. Do you agree with the proposed Rule amendments to require an issuer to publish an announcement as soon as practicable after the directors decide to revise the published financial statements and the reason leading to the revision of the financial statements?

Yes

No

Please give reasons for your views.

6. Do you agree with the proposed Rule amendment to require disclosure in results announcements where an issuer has made a prior period adjustment to correct a material error?

Yes

No

Please give reasons for your views.

7. Do you agree with the proposed Rule amendments to Main Board Rules Appendix 16 and GEM Rules equivalent to provide references to disclosure requirements relating to periodic financial reports currently required in other parts of the Listing Rules?

Yes

No

Please give reasons for your views.

Chapter IV: Proposed Rule amendments consequential to the enactment of the New Companies Ordinance

8. Do you agree that the Listing Rules should be amended to align the notice period requirements for companies incorporated in Bermuda and the Cayman Islands with the relevant requirements under the New Ordinance?

Yes

No

Please give reasons for your views.

this amendment impose the same requirements for all companies, whether or not they are incorporated in Hong Kong

9. Do you support the proposal to allow companies incorporated in Bermuda and the Cayman Islands to convene general meetings on shorter notice on the same terms as companies incorporated in Hong Kong (i.e. in accordance with the relevant provisions of the New Ordinance)?

Yes

No

Please give reasons for your views.

Chapter V: Proposed minor Rule amendments

10. Do you agree with the proposal to amend Main Board Rule 13.45(1) and GEM Rules equivalent to require issuers to announce the expected payment dates for their dividends or other distributions as described in paragraph 143 of the Consultation Paper?

Yes

No

Please give reasons for your views.

11. Do you agree with the proposal to amend Main Board Rule 5.03 and GEM Rules equivalent to clarify that a property valuation is required for the circular of any connected transaction that involves an acquisition or disposal of any property interest or property company?

Yes

No

Please give reasons for your views.

12. Do you agree with the proposal to amend Main Board Rules 14.66(8) and 14A.70(15) and GEM Rules equivalent to remove the requirement to disclose information about competing interests of directors of the issuer's subsidiaries and their close associates in transaction circulars?

Yes

No

Please give reasons for your views.

13. Do you agree with the proposal to amend the GEM Rules to include a new GEM Rule 17.49A to require trading suspension for issuers that fail to publish their financial results announcements as described in paragraph 153 of the Consultation Paper?

Yes

No

Please give reasons for your views.

14. The Exchange invites your comments regarding whether the manner in which (i) the proposed Rule amendments consequential to the enactment of the New Ordinance as set out in Chapter IV (see paragraphs 116 to 137 of the Consultation Paper) and (ii) the proposed housekeeping Rule amendments set out in Chapter VI, have been drafted will give rise to any ambiguities or unintended consequences.

suggest to invite legal consultants and professions to review the wordings to ensure no ambiguity in legal sense.

15. Do you have any other comments in respect of the matters discussed in the Consultation Paper? If so, please set out your additional comments.
