

Think Ahead

Dear applicant,

ACCA is undertaking a large recruitment campaign for accountant and lay Panel members, chairmen and regulatory assessors (accountants). We are delighted that you are considering applying for one of these roles.

We are looking for the best people to join the Panel to sit on our Committees; and to act as regulatory assessors.

All of these roles require impartiality, fairness and the ability to objectively look at sometimes complex evidence and make well-reasoned decisions in this regulatory process. For the panel member and chairman roles you will need to be able to work well with others, to clearly articulate the reasons for your conclusions and to come to a shared decision. Regulatory Assessors work in isolation but are still required to make impartial decisions based on the information provided.

There is guidance and a wealth of information on the website on what being a panel member means, including [Q&As](#) with existing panel members, to give you a flavour of what it means to sit on a Committee. Should you require further information then please do not hesitate to contact the team on panelmemberrecruitment@accaglobal.com.

We look forward to receiving your application.
