

# FI Learning Solutions

Take your accountancy training online with FI Learning Solutions bespoke learning platforms

As professional accountancy training and examinations move exclusively online, are your students CBE ready and prepared for the digital workplace? Put digital-literacy and CBE preparation at the heart of your accountancy training with a FILS learning platform and manage your own online training and delivery.

# The FILS Solution

## OUR SOLUTION

Are progression and pass rates the two most important factors in your accountancy training? Our pre-populated client-managed accountancy learning platforms allow you to take control of your online training and delivery and ensure your students are CBE-ready and prepared for the digital workplace

Use your own learning data to monitor and track the progress of your students and ensure they remain on track and as exams approach, the integrated CBE platform will ensure your students are exam-ready

Whether you want to introduce online or blended-learning, build your digital training business or simply provide an unrivalled CBE preparation experience, FILS has a solution that allows you to manage your online business your way.

## OUR PLATFORM

•Client managed and branded

•Pre-populated with content from a Platinum ALP

•Integrated CBE test platform

•Modularised learning

•Student reporting/tracking

## HOW IT WORKS

We offer both 'Study & Practice' and 'Practice' solutions for different accounting qualifications. Choose the format that best suits your business requirements and we will populate your platform with the corresponding learning content for one or more qualification. We'll deliver your platform under your own brand and update your content annually to reflect all syllabus changes so you can focus on growing your business'
