

# ACCA Accounting Technician Apprenticeship (Level 4 Trailblazer)

Continue your journey to qualification, with options of an Undergraduate and Master's degree along the way

## End-point assessment

  
**Accounting Technician Apprenticeship Case Study**  
(exam)

  
**Portfolio**  
(completed training log and reflective statement)

## On-programme assessment

  
**Diploma in Accounting and Business**

  
Foundations in Professionalism online module

  
Accountant in Business

Financial Accounting

Management Accounting

ACCA's Applied knowledge exams

  
**Apprenticeship training log**

Studying with ACCA means you can record the skills and behaviours you gain through the apprenticeship, which will also count towards the experience you need for full ACCA membership. That means you'll already be on the way to being a fully qualified ACCA Accountant

  
I want to get a job and start earning immediately

I have a job and want to upskill
