

MSc Professional Accountancy

Module Release and Running Dates (Indicative)

Modules will run according to the table below (subject to minimum student registrations and availability). In exceptional circumstances, we may cancel all registrations for a module if an insufficient number of students have registered.

Module Title	Credits	Release Date	Availability
Global Issues in Finance and Accounting	15	April 2022	October and April sessions
Analysing Risk for Decision Making	15	July 2022	January and July sessions
Issues in Investment Management	15	October 2022	October and April sessions
Capital Markets and Global Perspectives	15	January 2023	January and July sessions
Capstone Project	30	April 2022	October and April sessions

What to register for

The minimum period of registration for this programme is 6 months. In order to complete in this time, you should study one 15-credit module in your first 10 week session alongside the first part of your Capstone Project. In your second 10 week session you will continue your Capstone project and should select the second 15-credit module. You should pay attention to when the two 15-credit modules you want to study are launching and in which sessions they will run. You will need to register for your modules ahead of each 10 week session by the registration deadline specified.

Year	Session	What you should register for	
1	1 (initial registration)	1 x 15 credit module	Capstone Project
	2	1 x 15 credit module	Capstone Project cont.

Specific examples are provided below.

Resits will affect the time in which you can complete your programme of study.
