

# RETHINKING BUSINESS FOR A SUSTAINABLE FUTURE

2020 has been a year of change. We have embraced a new way of working i.e. telecommuting and most organisations have also moved rapidly towards digitalisation. As we continue to adapt to change, how can we rethink the way we do business to ensure a sustainable future?

ACCA (the Association of Chartered Certified Accountants) Hong Kong is proud to present its annual Ethics Film Festival. This year's event will be held virtually for the first time. Screenings will be hosted on Netflix Watch Party, and panel discussions will be hosted on Zoom.
