# Creating Shared Values (CSV)

<https://www.youtube.com/watch?v=EPORJd9AqyM>

We launched the Cocoa Plan to enable farmers to run profitable farms, to improve social conditions in cocoa-growing communities, and to source good quality, sustainable cocoa

- Emergency Relief
- Response to Global Needs
- Long-term Community Development
- Public Education & Advocacy
- Local Programme

**The purpose could be increasing public awareness of the organisational goodwill as a whole/in particular work area(s), developing fund-raising strategies to support the sustainability of the organisation as a whole/in particular work area(s), or enhancing engagement of donors of the organisation.**

Indication of the work area(s) of World Vision Hong Kong your team has chosen, if any.

Researches on the changing social needs and the implication.

Creative online plus offline approach by adopting at least one or more virtual world tools/strategies (Blockchain, NFT, AI and metaverse, etc.) and realise the benefits in physical world.

Indication of potential ethical dilemmas and the respective practical recommendations to alleviate and/or mitigate the risk in the digital world.

A sustainable business model promoting the highest standards of transparency and accountability, and enhancing the social mission with measurable return.

Sensible budgeting plan to optimise the financial return and sustainability.

《易》穷则变，变则通，通则久。（《周易·系辞传》）

Predicaments breeds changes, changes can create a new path, and a new path will lead to a new solution – I Ching

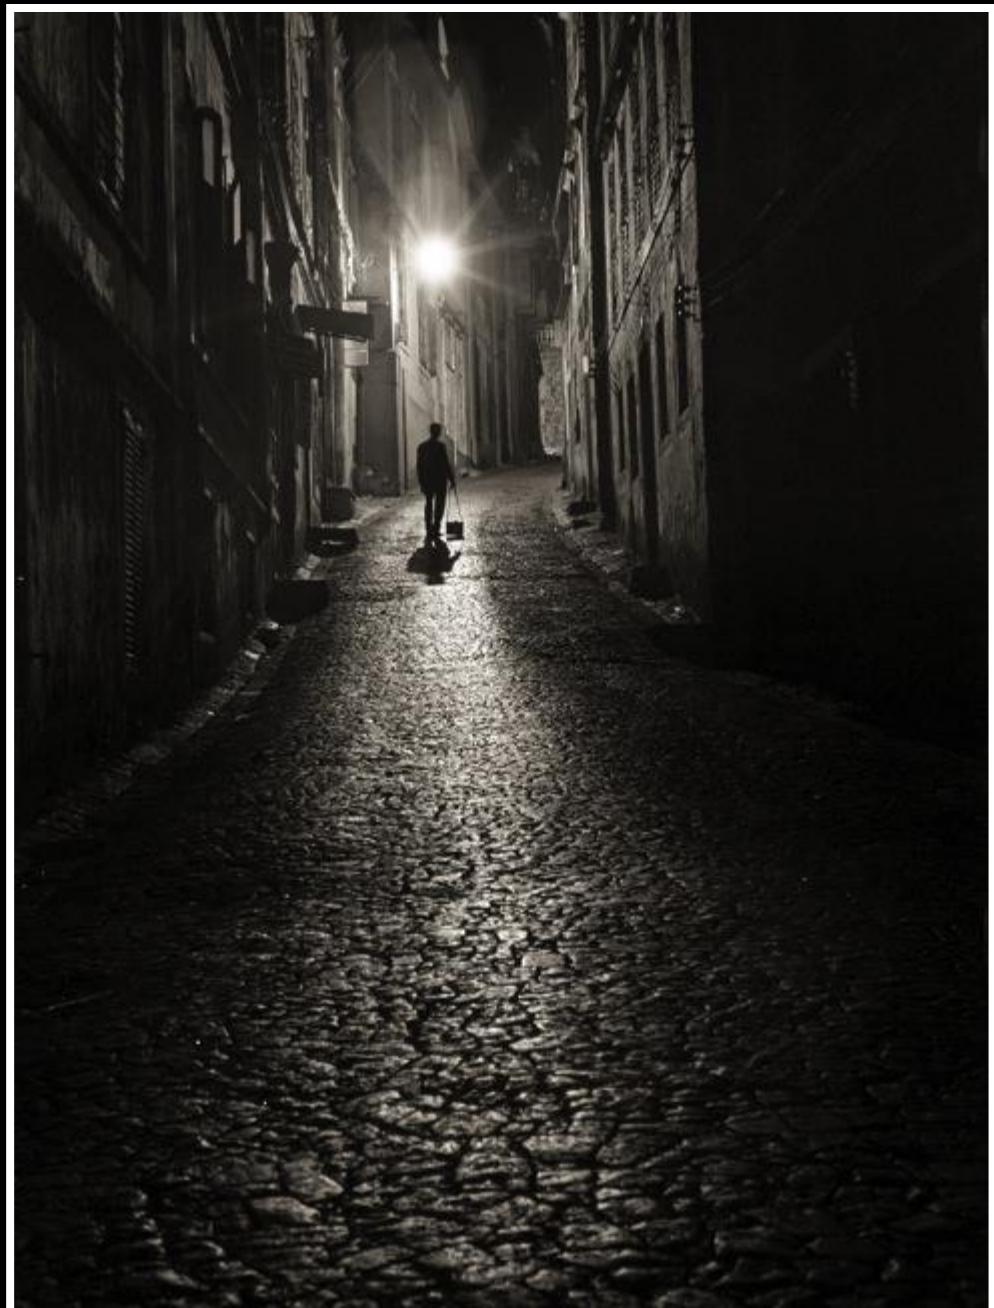

IF YOU WANT TO GO  
FAST, GO ALONE.  
IF YOU WANT TO GO  
FAR, GO TOGETHER.

AFRICAN PROVERB

Thank you for listening!
