## Description of development/learning activity

**Starting a new role**

### Why did you choose this activity and how is it relevant to you?

- I relocated to a different country in 2014 and started working in a new job role. This new job required me to develop new skills in order to function efficiently.

### When did this activity take place?

- From May 2014 to June 2014.

### Units

</table>

### What did you learn and how did/will you apply it?

- I met with my new line manager to identify any gaps in my knowledge and planned activities which would help me fill these gaps. I learned how to use a new I.T. system which I had not used before. I met with colleagues and learning about the culture of my new workplace. There was some Health and Safety training.

### Supporting evidence

- My new line manager can confirm this if required and I have copies of the training notes.
