EXAMINABLE DOCUMENTS - Exams in June 2019 to March 2020

Taxation – United Kingdom (TX-UK) and Advanced Taxation – United Kingdom (ATX-UK)

From the September 2018 session, a new naming convention was introduced for all of the exams in the ACCA Qualification, so from that session, the name of the exams is Taxation – United Kingdom (TX-UK) and Advanced Taxation – United Kingdom (ATX-UK).

The following notes refer to Taxation – United Kingdom (TX-UK) and Advanced Taxation – United Kingdom (ATX-UK) only. Guidance for other variant exams – where available – is published on the ACCA website.

Examinations falling within the period 1 June to 31 March generally examine the Finance Act which was passed in the previous July. Exams falling in the period 1 June 2019 to 31 March 2020 will examine the Finance Act 2018 (which received Royal Assent on 15 March 2018).

Finance Acts

The latest Finance Act which will be examined in TX-UK and ATX-UK in examinations falling within the period 1 June 2019 to 31 March 2020 is the Finance Act 2018.

With regard to prospective legislation where, for example, provisions included in the Finance Acts will only take effect at some date in the future, such legislation will not normally be examined until such time as it actually takes effect. The same rule applies to the effective date of the provisions of an Act introduced by statutory instrument.
